

# GUESS MY TIME

St Peter's Hospice

How quickly are you going to take on all those kilometres at the Tour de Bristol? Gather some guesses and ask for a donation per guess, and then whoever comes closest will win a prize! You could either give half the cash collected from the guesses or offer something else to the winner. The rest of the donations will go towards your fundraising for St Peter's Hospice, supporting patient care across Bristol.

## 1 HOW TO PLAY

Ask your friends, family and colleagues to guess how long you will take to cross the finishline at the Tour de Bristol, and each guess must be different. We recommend asking for around £2 per guess, but it's up to you.

## 2

Write each guessed time and the person's name on this sweepstake form to keep track of who said what.

## 3

Take note of the time you proudly cross the finishline on the big day, and have a look to see who came closest! That lucky person will win the prize.

## 4

Send in to us the rest of the donations and add it to your fundraising total!

**£2
