

Please read through these terms, by taking part in Walk to Remember 2022 you must have read, understood and accepted these conditions.

- All participants under 16 must be **supervised by a participating adult at all times** and also have parental or guardian permission to take part. Adults are responsible for their children's safety throughout the event.
- The route is approximately 5km and involves an uphill climb. It is not a race so please don't rush! There will be maps available, volunteers at key points and arrows around the route so please keep an eye out for them. Please follow all the advice from the volunteer marshals.
- Please take a mobile phone with you in case of emergency. Always call 999 first in an emergency, and then alert a volunteer or staff member.
- You are responsible for your own **medical condition** and take part at your own risk. St Peter's Hospice will not accept liability for any injury or loss as a result of your participation but your statutory rights remain unaffected. You must seek medical advice from your general practitioner if you are in any doubt as to your physical ability to participate.
- You give your permission for any **photographs or video** taken on the day, or that you send to us, to be shared on social media and used in future publicity. It is your responsibility to inform us if you do not want your picture to appear in such materials.
- Please follow any social distancing and COVID guidelines in place at the time of the event. Extra hygiene practices will be in place and the event will be fully outdoors with plenty of space to spread out. If any new national and local guidance is put in place, we will keep you updated on any changes that need to be put in place.
- Your entry fee covers the costs of putting on this event, such as toilets, first aid cover and more. It is therefore **non-refundable and non-transferable**, and it is your kind donations and sponsorship that will make a difference and support the work of the Hospice. During this challenging time, the vital funds you raise are so appreciated and more important than ever.
- **If necessary, St Peter's Hospice reserves the right to cancel this event** at any time due to unforeseen circumstances, changes in restrictions or unsafe conditions. We will get in touch with you to let you know if this is the case.
