- The **minimum age to take part is 14**, and all participants under 18 must be supervised by a participating adult at all times and also have parental or guardian permission. Adults are responsible for their children's safety throughout the event. This also applies if you are taking part virtually in the Your Ride challenge.
- **This event is not a race, and the course is on open roads.** You must obey all Highway Code Rules. Do not pass through any traffic lights on red, and always indicate your intention to stop or change direction. Please ride in single file where appropriate and no more than two abreast at any time. Be aware of fellow cyclists, traffic and other road users such as horses. Take extra caution and only overtake horses and other riders at a safe distance where you don't affect other road users.
- Riders, as well as spectators, must **follow marshals' and officials' instructions** at all times prior, during and after the ride.
- All riders will receive a **rider number** in their event pack with a timing chip attached, please visibly attach it to the centre of your handlebars on the day and ensure your number is clearly legible.
- **The route will be waymarked with arrows.** It is essential you stay on the marked route at all times. Keep an eye out for signs and marshals, we will focus on marking turnings, and all split points are clearly marked. You will be given a map, make sure you take it with you in case markings are removed. It also has emergency numbers on which will be essential in case you get into trouble.
- **Please go through the official finish at the UWE campus.** Do not leave the course until you have either de-registered at the finish line or informed a marshal that you're not returning. You must complete the course by **5pm** to be classified as a finisher.
- **Mobile support vehicles** in the form of cars or motorbikes are strictly forbidden. No participant may take food or drink from anyone whilst on the move, you must stop. You may, however, receive support from a stationary vehicle if you stop and it doesn't interfere with the progress of the riders.

- **We recommend you take:** two drink bottles, enough food and energy bars to keep you going, a spare inner tube, wet weather clothing, a mobile phone, hand sanitiser and a map of your route. We also advise you carry ID and a small amount of money.
