

***Please read through these terms, by taking part in Walk to Remember 2021 you must have read, understood and accepted these conditions.***

- All participants under 16 must be **supervised by a participating adult at all times** and also have parental or guardian permission to take part. Adults are responsible for their children's safety throughout the event.
- Extra hygiene and distancing rules have been introduced to make sure that this event can run safely, and this may change nearer the time of the event depending on national and local guidance but you will be kept updated on the rules that will be in place. You must follow and respect all instructions on the day from volunteers and staff, and follow all signage to keep you safe, as well as our team and the wider public.
- Do not attend the event if you have any COVID-19 symptoms, have been in contact with anyone with symptoms, or have returned from a country on the red list in the past 14 days. These symptoms include: a high temperature, a new continuous cough, and a loss of, or change to, your sense of smell or taste. See the full list at [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus)
- There will be staggered start times to keep everyone spread out, so please only arrive to the event area up to half an hour before your start time. If you need to change your start time after signing up, get in touch.
- You are more than welcome to walk in your own local area instead of at the event at Ashton Court if you would prefer to. Please select "virtual" from the start time options when signing up, or get in touch.
- The route map will be sent to you ahead of the day, plus there will be arrows and volunteers at key points along the route. Please keep a safe, respectful distance from our volunteer team at all times, and follow all their advice around the route.
- You are responsible for your own **medical condition** and take part at your own risk. St Peter's Hospice will not accept liability for any injury or loss as a result of your participation but your statutory rights remain unaffected. You must seek medical advice from your general practitioner if you are in any doubt as to your physical ability to participate.
- You give your permission for any **photographs or video** taken on the day, or that you send to us, to be shared on social media and used in future publicity. It is your responsibility to inform us if you do not want your picture to appear in such materials.
- **If necessary, St Peter's Hospice reserves the right to cancel this event** at any time due to unforeseen circumstances or changes in restrictions and local infection levels. We will get in touch with you to let you know if this is the case.
- Your entry fee covers the costs of putting on this event, and is therefore **non-refundable and non-transferable**. If the event needs to be cancelled due to COVID restrictions, a new date for the walk will be considered or you will be asked to complete the walk in your local area instead.
- We rely on your kind donations and sponsorship from completing the challenge to support the work of the Hospice. During this difficult time, the vital funds you raise are more important than ever.

*If you have any questions about any of the above or about the Walk to Remember event, please contact Hayley at St Peter's Hospice on **01275 391428** or [walk.toremember@stpetershospice.org](mailto:walk.toremember@stpetershospice.org)*
