Cost of entry

Entry to the Your Local Lottery costs £1 and is payable in advance.

All Your Local Lottery entry sales are final, and no refunds shall be made at any time. All entrants acknowledge that their payment of £1 per entry to enter the Your Local Lottery does not guarantee that they will win any prize.

Only entries for which full payment has been received either in the form of cash or cleared funds are eligible to win the prize.

If you miss a payment your lottery number will not be placed in the draw for the period missed.

For memberships, the number of lottery entries per individual player, per week is limited to 20.

Each game number is unique. A randomly selected game number will be issued with the confirmation of entry.

The draw

The draw for the prizes will normally be held every Friday. We reserve the right to change the draw day in the following circumstances:

- If the draw falls on a public holiday
- The draw mechanism is not accessible
- To allow time for the clearance of Direct Debit payments
- Any other circumstances beyond St Peter's Hospice control that prevents the draw from being carried out.

In the event of a delay, the draw will take place as soon as possible thereafter.

You do not need to be present at the draw to win.

Prizes and winners

The prize structure for Your Local Lottery is:

- 1 x £1,000 guaranteed to be won each week
- 1 x £100 guaranteed to be won each week
- 1 x £20 SPH shops gift card guaranteed to be won each week

Winning numbers are selected randomly by approved secure computer software from all the entries in that week's draw. A winning number can only be selected once in the same draw.

The likelihood of winning the Your Local Lottery depends on how many entries are in that week's draw. On the 17 March 2023, there was a 1 in 6,356 chance of winning the first prize of £1,000.

Winning numbers will be published on the St Peter's Hospice website (www.stpetershospice.org) and displayed in St Peter's Hospice shops. Single ticket purchasers are directed to check the St Peter's Hospice website from 5pm on Fridays to see if their lottery number(s) have been drawn. If a single ticket purchaser holds a winning ticket, they are directed to contact the Your Local Lottery Team by ringing us on 01275 391115 to arrange for payment of prizes won.

Winners who are regular players of the Your Local Lottery, who we hold contact details for, will be notified by telephone, whenever possible, prior to the prizes being issued. Where a winner is uncontactable or we don't hold an accurate telephone number, they will be notified by post within 14 days.

Gift card prizes are to be exchanged in St Peter's Hospice Charity Shops for goods purchased up to the amount issued; and will be posted to the winners via Royal Mail within 14 days of winning. These are valid for 12 months and can be used across any St Peters Hospice shop.

Monetary prizes will be paid in the form of a cheque made payable to the name of the entrant, or by BACS once bank details have been verified. In some instances, the way in which monetary prizes are paid will be determined by the way in which the winning entry was purchased (i.e. if a single ticket was purchased online, this may require us to pay the winnings directly onto the card used to buy the winning lottery ticket). In all cases, the way in which we pay winnings (if not by cheque) will be confirmed with the winners in advance of payment of prizes and all details needed to make payment will be verified prior to payment being made.

St Peter's Hospice reserves the right to use the name and postcode area of the winner and their photograph in any publicity unless notified otherwise. We will ask the winner to take part in promotional activity. If the winner agrees, the winner will be asked to complete and sign a St Peter's Hospice consent form.
